## KNOCKNINNY SUNDAY NEWSLETTER

19<sup>th</sup> August 2018

Twentieth Sunday in Ordinary Time

### Reflection

‘I would like to ask you all a question today. But each of you keep it in your heart and take it home. You can regard it as a kind of ‘homework’. Only you must answer. How are things when it comes to joy at home? Is there joy in your family?’

‘Dear families, you know very well that the true joy which we experience in the family is not superficial; it does not come from material objects, from the fact that everything seems to be going well ... True joy comes from a profound harmony between persons, something which we all feel in our hearts and which makes us experience the beauty of togetherness, of mutual support along life’s journey. But the basis of this feeling of deep joy is the presence of God, the presence of God in the family and his love, which is welcoming, merciful, and respectful towards all. And above all, a love which is patient: patience is a virtue of God and he teaches us how to cultivate it in family life, how to be patient, and lovingly so, with each other. To be patient among ourselves. A patient love. God alone knows how to create harmony from differences. But if God’s love is lacking, the family loses its harmony, self-centredness prevails and joy fades. But the family which experiences the joy of faith communicates it naturally. That family is the salt of the earth and the light of the world, it is the leaven of society as a whole.

‘Dear families, always live in faith and simplicity, like the Holy Family of Nazareth! The joy and peace of the Lord be always with you!’ Pope Francis,

### On the breadline

In recent months the Society of St Vincent de Paul released some shocking figures regarding hunger in Ireland. One in three people who contact the charity are calling because they can’t afford to buy food. It is estimated that one in eleven people in Ireland experience food poverty, which refers to the inability to afford food to make up a healthy diet. Hunger is a sad fact of life for many in our country. More than ever we appreciate the value of having enough to eat. Over the past few Sundays we have heard Jesus speak a lot about bread and food. His followers experience physical hunger too; the feeding of the five thousand (the story precedes today’s extract from John’s Gospel) shows that Jesus takes care of the physical needs of his followers too. Their experience of hunger and being fed prepares them for his teaching on the bread of life.

When Jesus talks about himself as the ‘bread come down from heaven’, it is clear that it is himself he is offering – his very flesh. If we are followers of Jesus, we are also called to give ourselves in service of others. We have Jesus as our model and teacher, present with us and in us. What can we do to help those who hunger in our country and our world? Triona Doherty

### **Prayer for the World Meeting of Families**

God, our Father, we are brothers and sisters in Jesus your Son, one family, in the Spirit of your love. Bless us with the joy of love. Make us patient and kind, gentle and generous, welcoming to those in need. Help us to live your forgiveness and peace. Protect all families with your loving care, especially those for whom we now pray:

*[We pause and remember family members and others by name].*

Increase our faith, strengthen our hope, keep us safe in your love, Make us always grateful for the gift of life that we share. This we ask, through Christ our Lord, **Amen**
