KNOCKNINNY SUNDAY NEWSLETTER

Twenty-second Sunday in Ordinary Time

Reflection

'... we begin to see how love requires truth. Only to the extent that love is grounded in truth can it endure over time, can it transcend the passing moment and be sufficiently solid to sustain a shared journey. If love is not tied to truth, it falls prey to fickle emotions and cannot stand the test of time.

'... If love needs truth, truth also needs love. Love and truth are inseparable. Without love, truth becomes cold, impersonal and oppressive for people's day-to-day lives. The truth we seek, the truth that gives meaning to our journey through life, enlightens us whenever we are touched by love. One who loves realises that love is an experience of truth, that it opens our eyes to see reality in a new way...'Pope Francis, Lumen Fidei 27

'Every Generous Action is a gift from God'

The second reading today reminds us that as Christians we are called to put our faith into practice; every generous action is a gift from God. St James speaks of the word that is planted within each of us and through that word we are sent out to work together for a more just world. From 1 September until the Feast of St Francis on 4 October Christian churches are encouraged to celebrate the Season of Creation. This is an annual celebration of prayer and action inviting us to think more deeply about what is happening at present to the Earth and the environmental destruction which threatens our world. The theme this year is 'Walking Together'. As pilgrims, let us walk together to awaken again to the wonder of the Earth, our common home, and the web of life which it shelters.

In the gospel Jesus tells the Pharisees that it is what comes out of a person that defiles a person, emphasising how through our actions we show what is in our heart. Let us encourage one another during this Season of Creation by praying with and for creation; encouraging small actions in our homes and parishes to try to live more sustainable lives.

'God has written a precious book, whose letters are the multitude of created things. From panoramic vistas to the tiniest living form, nature is a constant source of wonder and awe ... Alongside revelation in sacred Scripture, there is a divine manifestation in the blaze of the sun and the fall of night' .Pope Francis, Laudato Si', 85

Prayer for the Family

God, our Father, we are brothers and sisters in Jesus your Son, one family, in the Spirit of your love. Bless us with the joy of love. Make us patient and kind, gentle and generous, welcoming to those in need. Help us to live your forgiveness and peace. Protect all families with your loving care, especially those for whom we now pray:

[We pause and remember family members and others by name].

Increase our faith, strengthen our hope, keep us safe in your love, Make us always grateful for the gift of life that we share. This we ask, through Christ our Lord, **Amen**

Care of Creation Echoing the challenge of The Earth Charter 2000: Let ours be a time remembered for the awakening of a new reverence for life, the firm resolve to achieve sustainability, the quickening of the struggle for justice and peace, and the joyful celebration of life. There is a nobility in the duty to care for creation through little daily actions, and it is wonderful how education can bring about real changes in lifestyle.
