**To all our parents, former parents and past pupils, and friends of Saint Mary's PS Teemore...**

We ask for your much-appreciated and precious support in our forthcoming Christmas Fund-Raising Draw, as we continue to raise some school funds in this extremely-pressured time re school finances.

It is particularly important that, with schools experiencing many financial difficulties and challenges, currently, that you please support our fund-raising drive as generously as you can, as ever.

All monies raised this Christmas will be utilised, hopefully, in maintaining our current level of classroom-assistance support, as we approach the new financial year in April,2019. Unfortunately, the number of assistants in our classrooms has had to be reduced this academic year; we feel it is vital for all of our children, going forward, that we can manage to maintain the current classroom assistant staffing complement for the next school year. If you think you can help us **by** selling some books of tickets for the school, please contact the school secretary, Sarah, on 677 48396 to arrange collection.

Please know that your continued loyalty and generous support for our school community is greatly appreciated.

Mrs Ita Jordan, Principal, on behalf of The Board of Governors of Saint Mary's PS

**St Mary's PS Christmas Performances**

Our Christmas productions will take place in St Mary's Church on Tuesday, 18<sup>th</sup> December, at 7.00pm. We welcome all our parents, grandparents, extended families, members of the Board of Governors, whole school community and the wider community, to join us for this evening, as we celebrate and remember the birth of Jesus... and as we wait for, and invite, Jesus to be born in a special way in our hearts, this Christmas time...

Make his paths straighten

Preparing for the arrival of someone important takes care and attention. Think of a family preparing to welcome a loved one home from abroad, perhaps a son or daughter who lives in Australia or someone who has been off travelling the world. They get their bedroom ready, buy their favourite foods, perhaps put up banners or even organise a 'welcome home' party. It is all done with great excitement and love, and is a way of easing the path home for the traveller. Or imagine new parents preparing for the arrival of a baby. There are practical considerations such as buying nappies and clothing and getting a cot ready, and of course the nerves and excitement as they prepare to welcome the new arrival.

On a larger scale, when an important dignitary visits a venue or a country there is also a flurry of activity in preparation. We saw it in the painstaking arrangements made for the visit of Pope Francis to Ireland earlier this year. Such high profile visits often involve a literal preparation of the way – organising a welcome reception, planning the best route from the airport, clearing the streets of traffic, as well as much chatter and anticipation.

Today's Gospel brings these two types of welcome to mind. During Advent, we prepare for the coming of Jesus by our actions, when we are generous with our time, patient with our families, and help those in need. And we do all these things with excitement and love, so that Christ will find the warmest of welcomes and a clear route into our hearts. Triona Doherty
