6th January 2019
The Epiphany of the Lord

‘We observed his star at his rising’

The Wise Men were probably astronomers and philosophers, but most importantly they were ‘seekers’, looking to the skies for something that would bring them closer to God. They would have been familiar with the prophecy about a new King who would be a very powerful leader, and they may have been watching the skies for years, waiting for the right astronomical sign which would foretell His birth. Many astronomers have since tracked the skies from that period, to try to identify what ‘star’ the Wise Men could have seen. One must admire the faithful and determined journey that these Wise Men set out on, a journey which involved many risks. The Wise Men represent all peoples of all cultures and faiths who make such journeys in search of God.

We often look for signs in our own lives, especially when we are looking for answers. Let us have the courage to move out of our comfort zones in search of Jesus, just as the Wise Men did. They had no idea of what awaited them, but the Gospel speaks of their delight and joy when they arrived to that place.

‘We often make do with looking at the ground ... I wonder if we still know how to look up at the sky? Do we know how to dream, to long for God, to expect the newness he brings, or do we let ourselves be swept along by life, like dry branches before the wind?’ Pope Francis

A Creed to live by in 2019

**Don’t undermine your worth by comparing yourself to others;
it is because we are different that each of us is special.**

**Don’t set your goals by what other people deem important;
only you know what is best for you.**

**Don’t take for granted the people and things closest to your heart;
cling to them as you would your life, for without them life is meaningless.**

**Don’t let your life slip through your fingers by living in the past, or for the future;
by living your life one day at a time, you live all the days of your life.**

**Don’t give up when you still have something to give;
nothing is really over until the moment you stop trying.**

**Don’t be afraid to admit that you are less than perfect;
it is this fragile thread that binds us to each other.**

Don’t be afraid to encounter risks; it is by taking chances that we learn to be brave.

**Don’t shut love out of your life by saying it’s impossible to find;
the quickest way to receive love is to give love; the fastest way to lose love is to hold it too tightly
;and the best way to keep love is to give it wings. Don’t dismiss your dreams; to be without
dreams is to be without hope; to be without hope is to be without purpose. Don’t run through life
so fast that you forget not only where you’ve been,
but also where you’re going.**

Life is not a race, but a journey to be savoured each step of the way.
