Seeing your Life through the Lens of the Gospel Luke 4:21-30

1. The people of Nazareth could not accept that this local boy had something to teach them. Fixed ideas about people can at times block us from hearing what is being said. What a difference when we drop our prejudices! Perhaps you have experienced hearing an important truth when you focussed on what was being said, rather than on the person saying it?

2. The anger of the people arose when Jesus confronted them with God's inclusive ways. For them, God was 'their God' and God's blessings were for them. Jesus reminded them that this is not God's way. When have you been challenged to think in new ways and not to be excluding some people from your thoughts or concerns? Was there good news for you in the challenge?

3. Jesus continued his work despite the opposition. Have there been times when despite opposition you have been able to 'walk through the people' and 'continue on your way'? Have you seen this courage in others?

**Fourth Sunday in Ordinary Time**

### **Joseph's son**

A prophet is never welcome in his home town. This familiar saying paraphrases the words of Jesus in today's Gospel: 'I tell you solemnly, no prophet is ever accepted in his own country.'

We might find ourselves sympathising with Jesus on this front: that feeling that no matter what we have done in our adult life, in our home place we are still identified with the child we were or the family we came from. Sadly there are some who seem to delight in taking others down a peg or two and ensuring they don't get ideas 'above their station'.

Perhaps we ourselves have this tendency sometimes. We can be guilty of pigeonholing people, of silencing their voices because their message comes in the wrong package. We don't always recognise the prophets among us. Do we listen to young people's opinions? Do we dismiss the experience and wisdom of elderly people? Are we biased against certain groups of people, or do we shoot people down before they even speak, just because we have disagreed with something they said in the past?

Jesus, the carpenter's son, faces this attitude in today's Gospel. Returning home to Nazareth he impresses his former neighbours at first with his preaching. But as soon as he challenges them, they turn on him. They refuse to listen to his message of hope and inclusion. They hustle him out of town and attempt to throw him from a cliff. 'Joseph's son' should not be speaking to them in this manner. Joseph's son should know his place. *Triona Doherty*

### **Prayer for strength**

Every day I need you Lord, but this day especially, I need some extra strength to face whatever is to come. This day, more than any other day I need to feel you near me ...to fortify my courage and to overcome my fear. By myself, I cannot meet the challenge of the hour...how much frail human creatures need a Higher Power sustaining them in all that life may bring. And so, dear Lord, hold my trembling hand...Be with me, Lord, this day, to know Your guiding hand at work in all, to know your Blessed Presence ever near. **St John XX111** (This prayer was composed by him)
