**In the Trocaire box you will be able to read about three remarkable families and a Lenten Calendar**

**As we begin our Lenten journey let us remember**

**The gift of the Earth with its fruits belongs to everyone. Lent in our Faith is a time for reflection, a time to donate, declutter and a time to share the fruits of the Earth with the poor, Widows, Orphans and Foreigners in our midst, (Laudata Si;71). There is a deep relationship between Faith, Justice and Ecology. Take time to slow down and get out into nature's environment for a nice walk. Begin again to connect with nature and our environment and thank God for our wonderful common home. Leave down the Technology and connect with people. Become aware of your environment and how you can protect and sustain it.**
