## **KNOCKNINNY SUNDAY NEWSLETTER**

**19<sup>th</sup> May 2019**

**Fifth Sunday of Easter**

Love one another

'Love one another' is the basic principle of Christianity, to love as Jesus loved. It is simple, yet we can make it so complicated. Jesus' love was controversial for some people, because it was love without exclusion. To love as Jesus loved is to love those it is hard to love. This love ultimately led to Jesus' death. Jesus loved sinners, tax collectors, prostitutes, people of other religions, the poor, the unwanted, the sick, the beggar, the leper. This love is too much for some Christians today also. It is hard to love the sinner or to love family members or friends who have hurt us. Yet this is the love that we are called to. Once we begin to accept that we are infinitely loved by God, it is like a domino effect where that love is poured outwards in our lives. We are part of this outpouring of God's creative love and are called to bring this into places where there is none. In this way we are helping to heal, sustain and nourish this world.

Let us hear those words of the Gospel more clearly today: 'Just as I have loved you, you must also love one another. By this everyone will know that you are my disciples.' Let us dream of, and work towards, a world where this is a reality.

'God has given us the power to create beauty, to make another smile, to be a healing presence in someone's sorrow, to bring justice to the oppressed, to console those in difficulty, to bring peace and joy to others, to help those in need, to laugh and enjoy life, to do good and turn from evil, to forgive those who have hurt us, and, most of all, to love.' Iris Perez

### **The Plan of the Master Weaver**

Our lives are but fine weavings that God and we prepare, Each life becomes a fabric planned and fashioned in God's care. We may not always see just how the weavings intertwine, But we must trust the Master's hand and follow God's design, For God can view the pattern upon the upper side, While we must look from underneath and trust in God to guide... Sometimes a strand of sorrow is added to the plan, And though it's difficult for us, we still must understand That it's God who fills the shuttle; it's God who knows what's best, So we must weave in patience and leave to God the rest... Not till the loom is silent and the shuttles cease to fly Shall God unroll the canvas and explain the reason why -- The dark threads are as needed in the Weaver's skilful hand As the threads of gold and silver in the pattern God has planned.

You are writing a gospel, a chapter each day, by deeds that you do, by words that you say. People read what you write, whether faithless or true. Say, what is the gospel according to you?
